

JOB DESCRIPTION

Department: Finance and Administration Unit

Position: Head of Finance and Administration

Reporting to: General Director

Starting Date: Early August 2018

Contract Term : Permanent

MSF Korea is looking for an experienced Head of Finance and Administration for supporting a dynamic growing office.

DESCRIPTION OF THE ORGANIZATION

Médecins Sans Frontières (MSF) opened its office in the Republic of Korea in 2012, based in Seoul. The MSF Korea office focuses on four key pillars: (1) recruitment of skilled Korean medical and non-medical staff to dispatch to MSF field projects, (2) communications to the Korean public on global humanitarian crises and urgent health emergencies, (3) outreach to Korean stakeholders and policymakers in support of international community engagement and action, (4) and fundraising from Korean donors to directly support MSF medical humanitarian activities.

PURPOSE OF THE POSITION

Reporting to the General Director, MSF Korea seeks a Head of Finance and Administration (HFA) for leading the strategic direction on Finance and Administration.

The Head of Finance and Administration leads a team composed of Finance and Accounting Controller, and Admin Officer in close interaction with others departments.

The HFA is member of the Leadership Management Team (LMT) and uses his/her well-honed financial acumen and analytical skills to participate in organizational decision-making ensuring compliance with legislation and international organizational standards, while providing innovative alternatives and creative solutions with a view to advancing the vision outlines in MSF Korea's strategic directions.

In summary the HFA enables MSF Korea to achieve its objectives by:

- Liaising with the General Director (GD) in the oversight of all finance and administrative matters,
- Ensuring that the finance component meets the highest MSF standards and takes into account the legal requirements of the Republic of Korea in order to manage the MSF Korea budget most effectively,
- Defining and implementing appropriate financial tools in order to reinforce the capacity of the office to meet our objectives and optimize the available resources,
- Mitigating the financial and resource risks,
- Supporting the development and review of the multi-year strategic plan with a special focus on ensuring a proper correlation between plans and resources allocated,
