

[FKCCI Pro-workshop] Improving Information Flow within Multinational Team in Korea

<Module I objectives: for foreign managers>

1. Understanding how teams' **interactions** and work environments are shaped by **cross-cultural values**
2. **Recognizing obstacles** that prevent Koreans from speaking up or **sharing ideas** freely
3. Understanding **Korean leadership styles** and corporate cultures that Korean employees are accustomed to
4. Learning simple and effective techniques for **eliciting information** and feedback, and help your employees:
 - Be more at ease sharing ideas, information or bad news, in a timely way
 - Feel that their input is valued and that they are being heard by upper management
